

Dear Parents/carers,

Uniforms are compulsory for our Cocoons/Butterflies children. The uniform consists of a polo shirt and a sweatshirt with the Jitterbugs logo printed on. You can send your child in any bottoms however we usually find jogging pants and leggings more practical.

There's lots of benefits of wearing uniform to nursery, such as saving children's best clothes from getting messy during play and making it easy for parents to know what to dress their children in each day.

Wearing a nursery uniform is a very positive step in helping your children get ready for starting full time education.

Children will feel equal to each other and feel very grown up.

Samples are available if you are unsure of sizing etc
