

NURSERY IN A BOX
Just Add Kids!

Parent App

Guide

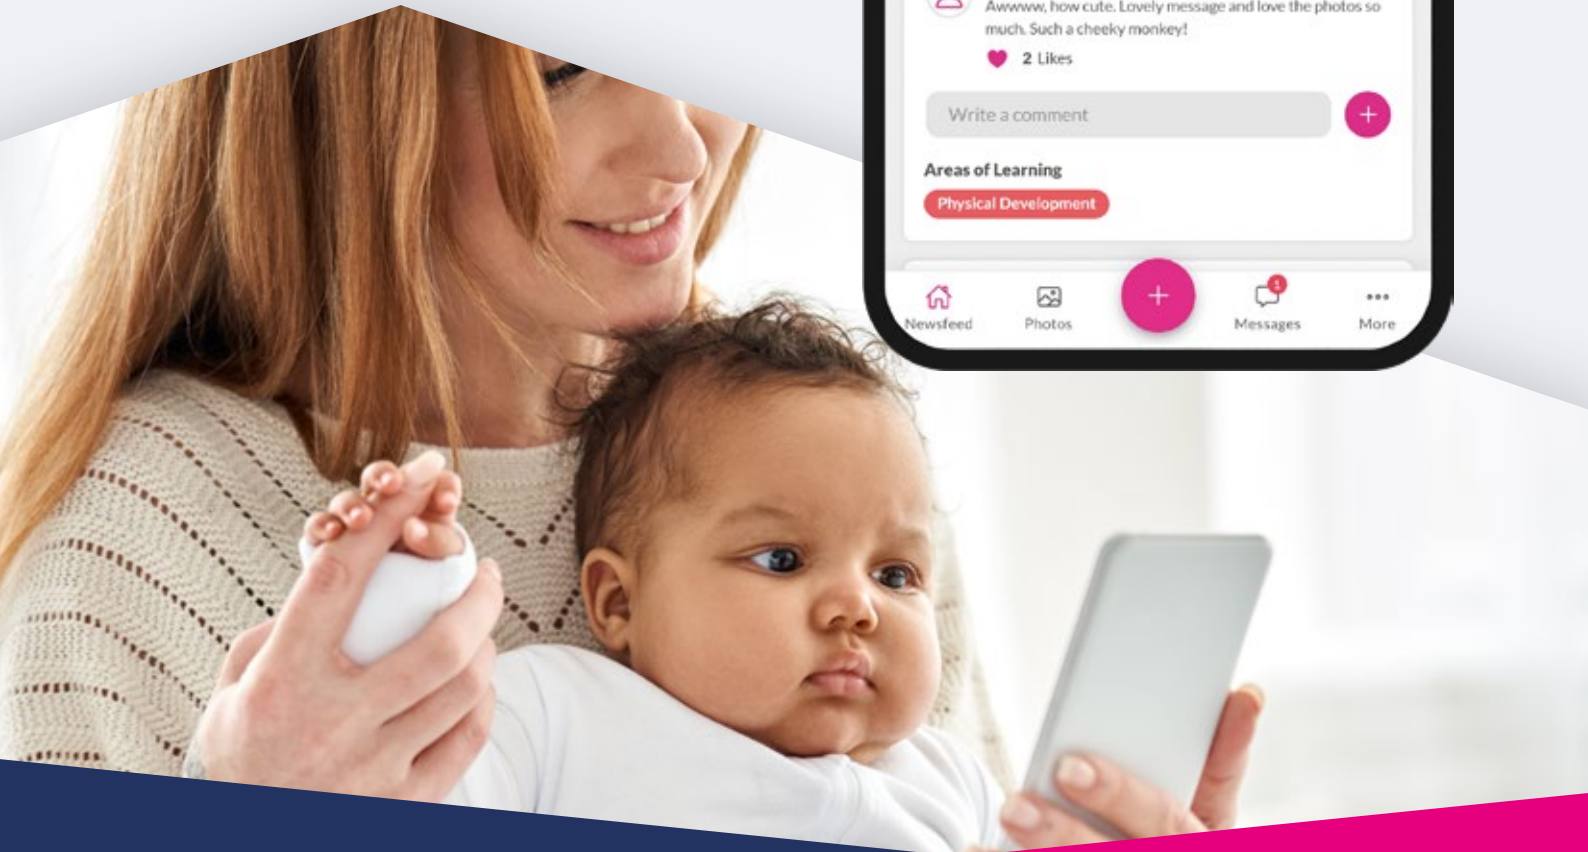

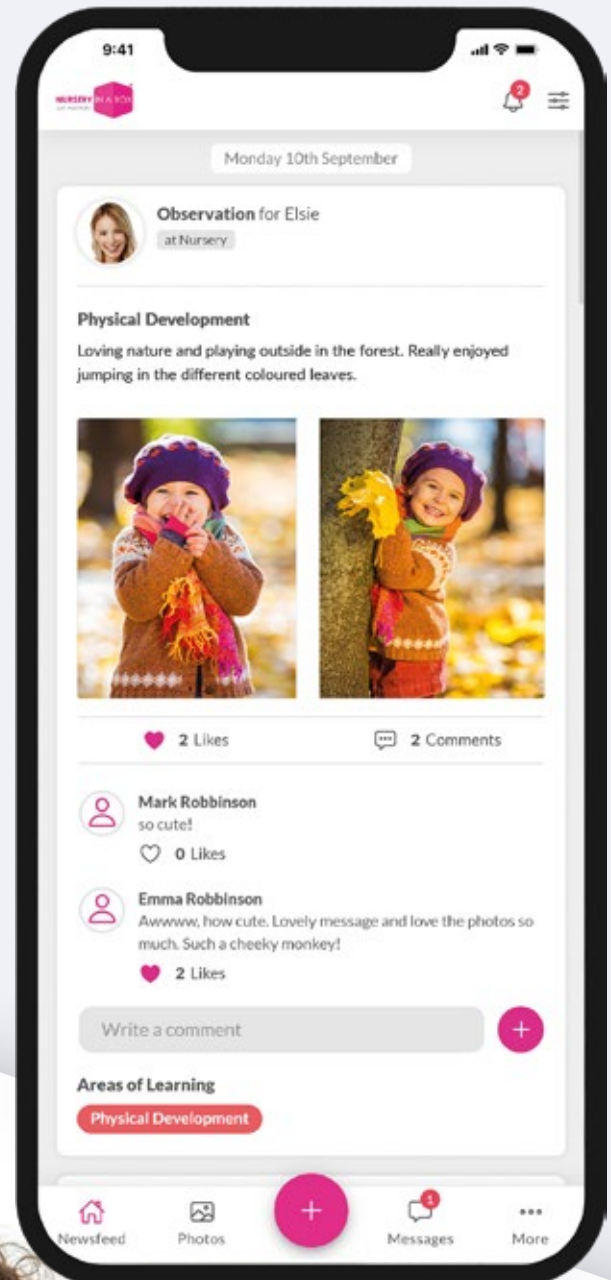

Cherish those magic moments forever

Your Parent App & Newsfeed

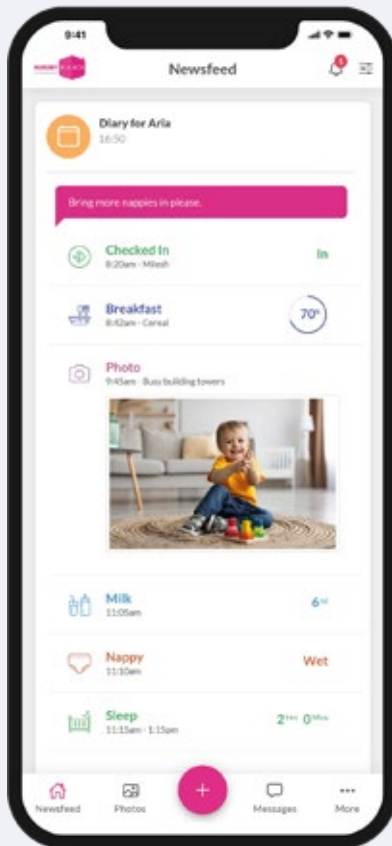

Our Parent App is designed to keep you informed, engaged, and involved every step of the way, ensuring your child receives the best start possible.

At Nursery In a Box, we understand how important it is for parents to stay connected with their child's early learning journey.

Stay updated with your child's day

Child Diaries & Photo Album

Child Diaries

Stay connected to their day-to-day experiences even when you're apart.

Live Updates

Receive daily updates on your child's activities, meals, naps, and more.

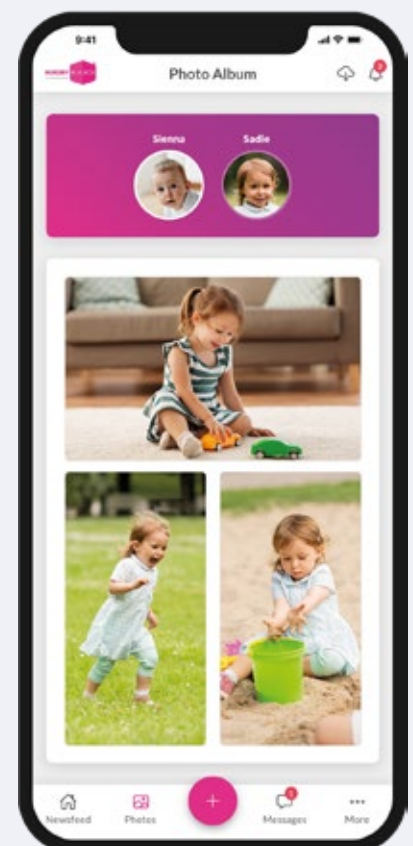

Photo Album

Access and download all photos and videos of your child's early years. Preserve these cherished moments forever with a simple download.

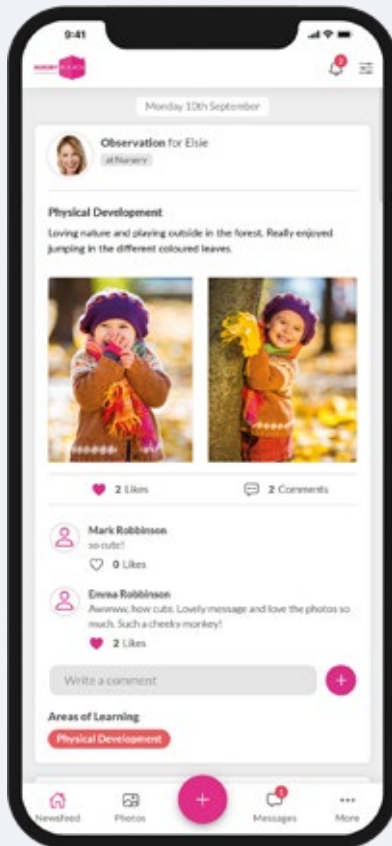

Likes & Comments

Engage with your child's nursery by liking or commenting on updates. This helps the nursery focus on what matters most to you and your child.

Your child's development, their way

Education & Learning

Learning Journeys

Stay informed about your child's development by viewing their learning journey. Track progress with the early years curriculum and celebrate every milestone.

Observations

Share magic moments with your nursery to help them build on your child's learning journey.

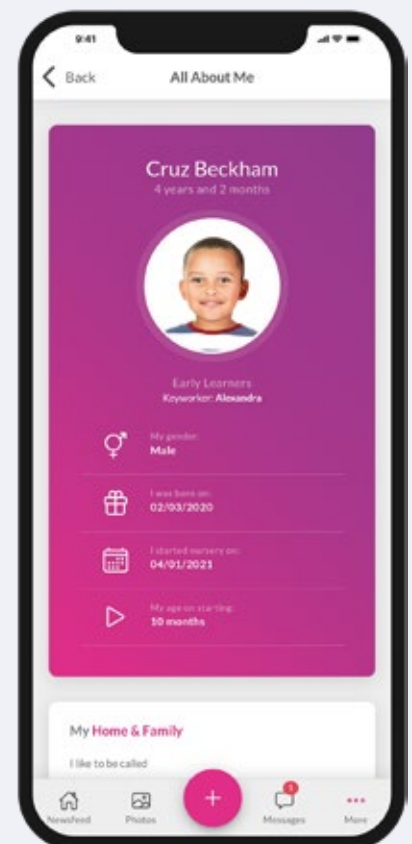

Keep your learning journey once your child leaves nursery as a keep-sake in one PDF download.

Assessments

See how your child is doing at nursery. Add your comments and digitally sign the assessment form online so you have a record.

All About Me

Help the early years practitioners know your child better. Include likes, dislikes, favourite toys, sleep and feed routines, and more.

Always keeping you in the loop

Live updates & messaging

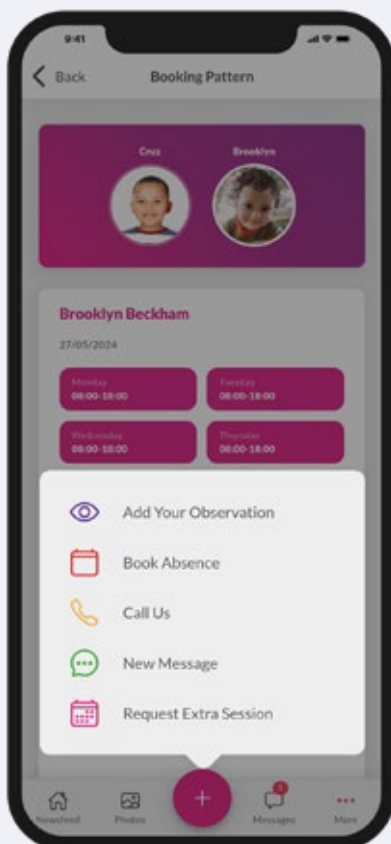

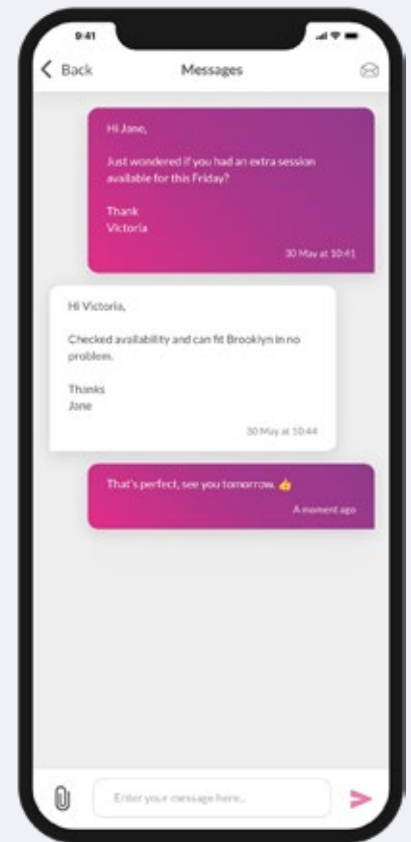

Instant Messaging

Easily communicate with your child's nursery. Keep all your messages in one place for seamless, organised communication.

Push Notifications

Get instantly notified if the nursery sends you a message. Great when you need that extra bit of childcare.

Add Holidays or Sickness

Add your holidays or sickness and see it updated on the booking pattern page seamlessly.

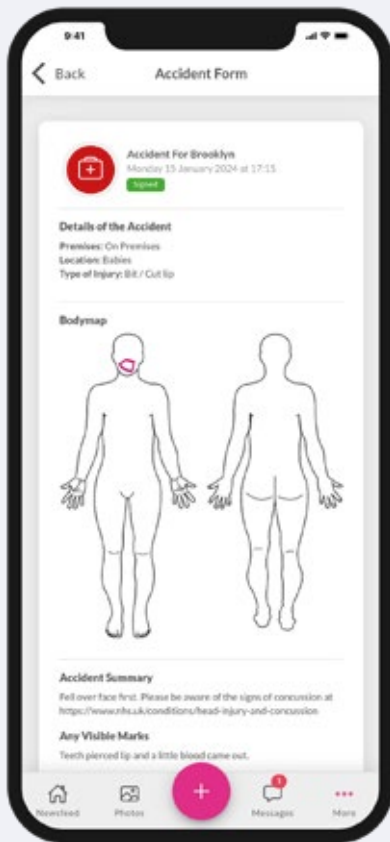

Request Extra Sessions

Request an extra session straight through the app to let your nursery know exactly what dates and sessions you need.

Keeping your children safe & secure

Health & Well-Being

Accident Forms with Body Maps

See any accidents that your child has had at nursery. An easy-to-understand body map shows exactly where the accident occurred.

Digital Registration Form

Easy for you to complete a digital registration form through the app to keep your nursery updated with the latest information.

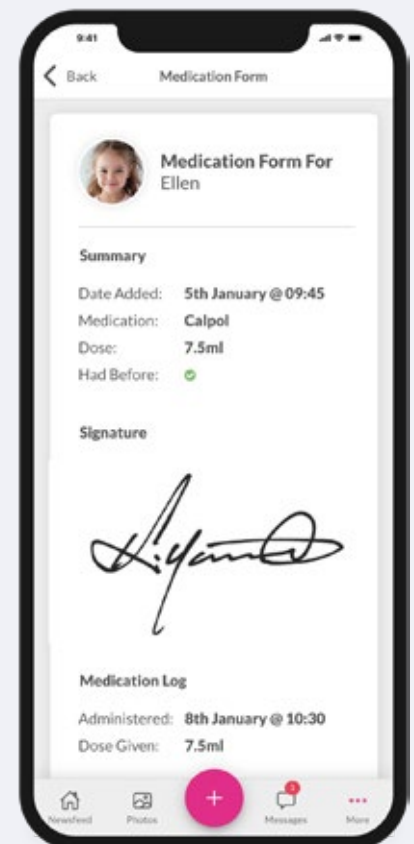

Medication Forms

See a log of all your child medications and give parental consent before your nursery administers any type of medication.

Digital Signatures

Sign accident and medication forms with a digital signature straight on the app.

Pay in-app and manage your finances

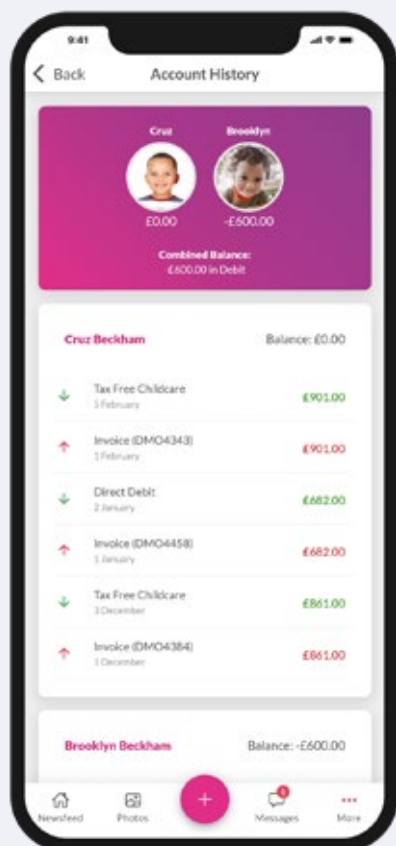

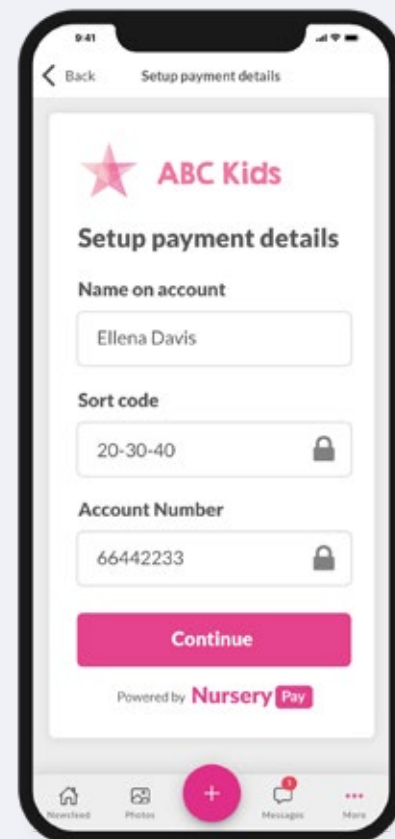

Payments & Funding

Pay In App

Easy to pay in the app with the direct debit guarantee to protect your payments.

Invoicing & Receipts

Clear to see your invoices and download receipts for all payments on your account.

Account History

See all your invoices and payments in one location with a combined balance.

Funding Codes

Easy to add your funding codes to make sure you don't miss out on early years funding.
